Fighters,*

*Admiring the
Survivors,*

*Honoring the
Taken,*

*And never,
ever
giving up
Hope!*

Greetings,

As the only local breast cancer nonprofit organization in Kern County, Links for Life has been devoted to making a difference in our community for the past 25 years.

Our mission is to provide an organization to benefit persons and families affected by breast cancer; challenge each Kern County woman and man to be aware of their breast health and promote support for those affected; and to educate the general public about breast health.

We fund mammograms, ultrasounds, and needle biopsies for under-insured and uninsured women and men in need of a breast cancer diagnosis. We also offer a wig/prosthesis boutique and support group meetings comprised of survivors and those going through breast cancer treatment. To date, we have funded over 3,498 mammograms; 5,509 ultrasounds, and 425 needle biopsies. Since 2005, 39 women under the age of 40 have been diagnosed with breast cancer through services funded by Links for Life.

Our 25th Annual Sharyn Woods Memorial Golf Tournament and Gala will be held on April 28th and 30th 2018 at Seven Oaks Country Club in Bakersfield, California.

To help insure the success of our event, we ask if you would please consider becoming a sponsor, donating an item, or making a monetary gift for our auction.

All monies raised stay in Kern County and go to support our mission.

If you would like to contribute, please return the enclosed forms by mail to our address below, fax to 661-322-5655, or email staff@linksforlife.org.

If you would like more information on how you can become involved with Links for Life, feel free to email tfahsbender@linksforlife.org or call our office at 661-322-5601. Thanking you in advance for your consideration in this matter.
